27 RUE DE FLEURUS

my dear Cunningham

Myself Cambren has just done a drawing
of me which as I recollect well is for Vanity
Fair and I thought you might like to print
this little thing of mine to go with it. If
so I will be very pleased to have you do so.

FRANK CASE

My dear Cambridge,

I think we all would
do better if we did it as it
came, it works better with me
that way, as I guess it would with
them, about the review the cinema
if any of you could get

me some of the colored photographs
 on calico that advertise the Girl
 of the Gumbert at the Exhibition,
 I have not been inside but I
 look a long time at them at
 the outside, I kept them

 Always
 G. H. W.
