Dear Carl,

Here is the play at last. Of course it is tentative. It is my first ^{serious} whack at the play business.

Langston and I started out together on the idea of the story I used to tell you about Eatonville, but being so much apart from rush of business, I started all over again while in Mobile and this is the result of my work alone.

Please read it when you have time. I know that you are very busy so I am grateful that you consent to read it at all.

I hope that you are still sticking 'em strong and that your wife is still lovely and fragile looking. Awkward looking sentence, but you know "nigger" enough to know what I mean
Sincerely
Zora.
