Epigrams

31

Like a prompt Sculler one Physician plies
 And all his Force & all his Physic tries
 But two Physicians like a pair of Oars
 Conduct you soonest to the Stygian Shores.

Well try'd for stealing Linen, answers swift
 Compell'd 'tho' want she did it for a Shift.

While Bunteras attending the Archbishops Door
 Recited each other with Cheat, Catch & Whore
 Spoted the Drabs & considering the Place
 Concludes, 'twas plain they wanted his Grace

An Epigram by a School-Boy writ
 The Pedant old surveys
 And as his Wisdom thought most fit
 His stick across him lays
 The student felt his middle bleed
 And mumbling answered thus
 My Epigram is bad indeed
 But your Across stick's worse

On the writings of Trust & Fog
 Is not each of these writers a very sad Dog
 South was hid in a Mist, now this is lost in a Fog
