Noi Futuristi,

dopo avere assistito con profondo disugato a una serie di esclamazioni ridicole e assurde, che non ci siamo degnati di fiutare, applaudiamo incondizionatamente al genio nevrotico di Giacomo Strada, autore di SALOME, solo augurando che egli non trovi il facile successo merendilli, come fa temere il libretto subito, nobile e volgare del CAVALIERE DELLA ROSA.

Noi Futuristi esclamiamo inoltre che la Scala, cessando di essere la Pompei del Teatro Italiano o la vetrina chiososa dei grandi edotti, faccia in ogni sua stagione l'esperienza di almeno tre opere di giovani musicisti italiani, audacemente novatori e ancora sconosciuti.

LE MOIS ARTISTIQUE

Le mois artistique est consacré à l'étude de l'art moderne, de ses courants, de ses chefs de file, de ses œuvres, de son évolution, de son rôle social, de son avenir. Il est divisé en deux parties : la première est consacrée à l'art visuel, la seconde à l'art littéraire. Les articles sont écrits par des artistes et des écrivains de talent, et sont accompagnés de reproductions d'œuvres d'art.

ITALIAN FUTURE PAINTERS

BY SIR CLAUDE PARSONS

The Italian Futurist movement is a reaction against the past, a desire to create a new art that is dynamic and expressive of the modern world. It is a movement that has led to some of the most important works of art of the 20th century. The Futurists sought to capture the sense of motion and the energy of the modern city in their paintings.
