1932 September 11 : I. [1]

[Sep 11, 1932]

What can I tell you about myself?

You wish to tell the world about me,

Who am I - what am I? -

I am made to wonder by those who  
say they know me. Do I know myself?

I give you the letters of John  
Murnin may be they will help you find  
something you may be looking for.  
I don't know. -

You came from Words Hole -

You have been at an American Place -

You have heard of "281" -

and have seen Camera Work -

You are now in The Hill -

You meet friends - comrades -

You have met O'Keeffe -

You have heard "Stories" -

may be you are gradually finding  
something you are looking for

1932 September 11 : I. [2]

I don't know - -

You see the way I live -  
from day to day - -

I have no theories - -

I have no goal - -

Yet there is an untouchable line  
that runs through all - -

So with all of us - -  
through you as well as me - -

It is when there  
unouchable line touch

that my interest lies - -

That's when I really live
