stimulant to exertion. If the boys wanted to buy any little notion, the girls were just as anxious to have some bits of finery for themselves.

The whole party were therefore up every morning by daybreak, picking blackberries. It was a rather scratchy

kind of work, as the briers upon the untrimmed bushes lacerated their hands, and tore a good many holes in frocks and aprons. Each picker strove to push himself into the patch as far as possible, anxious to reach the fruit; but the farther he pushed in the worse it was for him.
