My Dear Rebecca

Season's greetings. Where are you writing in these days ?

And , given the fact that you are not an utter idiot , why isn't there more indication of yr/ being aware of what there IS actually going on , both in real economic thought , and stragege to say , 'even once again in " letters " ?

The necessity for being governed by Sieff and Sarvazy diminishes , and a decent book might occa sionally even again be published , hang it all you must both eat occasionall and want a book you can read for pleasure ?

and so forth.

And dont tell me you've got less intelligence than you had in anno dom/ 1911 .
