My dear Bertie,

Thank you so much for your letter. I am so glad to hear from you again. Here is a photo with my love. I hope it will reproduce well. I find that most of my things are in trunks & boxes etc so can't find a wide variety to choose from. This is also only a reproduction. But the original is lovely & I am

still quite fond of this. Don't hesitate for an instant to say if you don't like it & I'll find you something else.

I work matinees every day & usually walk home through the park - & then cook supper at home for myself & Monica Skirling who has been sharing my flat since she escaped with her parents from Paris with only a rucksack -

So if you would like either to picnic with us - or to go out to an early dinner - I could & would love to. Give me a ring Pad: 9671 any morning or any evening & let me know when you can bring yourself to sit through Dear B. It isn't your cup of tea but all

typing has a charming in dis in quality - rather like my cooking.

P.S. Your love from Margaret.

I should think even for you. We play & capably twice over on Saturday. This production has in hand. The same
