SUNKIST ORANGES
safeguard family health

Orange juice is one of life’s best sources of vitamin C, which helps the body resist infections and illnesses. The vitamin C in oranges is easily absorbed by the body and is quickly utilized for energy and the production of collagen, the substance that makes up skin, bone, cartilage, and teeth. Oranges are also a good source of vitamin A, which is needed for good vision, healthy skin, and a strong immune system.

California oranges are packed with vitamin C, fiber, and antioxidants. They are also a good source of potassium, which helps regulate blood pressure and supports healthy heart function.

To enjoy the full benefits of oranges, make sure to include them in your diet regularly. They can be eaten fresh, juiced, or used in a variety of recipes. Whether you choose to eat them whole, in salads, or as a snack, oranges are a delicious and nutritious addition to any meal.

Abundant small Sunkist Oranges...ideal for juice.

Small Oranges Cost Less . . . Use Them Liberally for Health’s Sake.

California offers the good work of its juicy crop of small Sunkist Oranges at just the moment, and because of this, they are easy on your purse. These small Oranges are just the right size for hungry fruit lovers, as they are easier to eat and to hold in the hand. They are, however, so rich in success that you can buy them in the store at any season of the year.

As a helpful hint, here is a good two-fruit plan: Try even more to eat small fruit. For Oranges are your personal insurance!—G. E. Gurney, Sunkist Orange Envoy.

Sunkist California Oranges are juicy and rich in flavor. They are proof to put to what we say about health and what is good for health. Look for Sunkist Oranges in your store.

Sunkist Oranges are not only good for your health, but make good food. In fact, a visitor from the Orient said to the author, "You Americans have a wonderful fruit. . . ."

It is more delicious to know that you are enjoying a Sunkist Orange as you eat one. We feel secure that you will do so.
America starts the day Right.

Richest, finest-flavored Orange Juice
You have always wanted a small, inexpensive (electric) fruit juice extractor in your home—one that would be useful and economical, and do the work efficiently.

A New Junior Size—for the Home
Now you can have your small, compact, efficient little machine—at a price you can easily afford!

Perfected at last, and offered for the home, is—SUNKIST JUNIOR—est. in 1929, the little brother of the famed SUNKIST ELECTRIC FRUIT JUICE EXTRACTOR you see so buoyantly operating at your favorite fountain, in hotels, restaurants and hospitals, all over the land.

An Every-Day Home Necessity
At the first breakfast hour, when every one is in a hurry—that's when SUNKIST JUNIOR helps you now.

How easy to have a glassful of delicious, healthful orange juice at every meal—and how eagerly your family will look forward to it each morning!

The Medical Profession unanimously agrees that one or more glasses of orange juice every day is one of the best means of balancing the diet—of avoiding ACIDITY, a condition caused by eating too much acid-producing foods.

Now you can cultivate your habit of drinking at least one glass of real fresh orange juice per day—quickly and easily made on the SUNKIST JUNIOR EXTRACTOR. Your whole family will feel better—digestions will be improved and they will relish their food more.

This is a scientific fact, voiced for by some of the best known doctors and health specialists in the world.

All this is possible through having a SUNKIST Junior Electric Fruit Juice Extractor in your home—and using it often!

No Fuss! No Bother! Always Ready!
The SUNKIST JUNIOR EXTRACTOR puts an end to the fuss and mess of the little-field-fashioned orange and lemon squeezer.

With SUNKIST Junior you simply half the fruit—lip the push—press the fruit down on the revolving bulb, and the juice runs forth from the spot of the bowl into the cup or glass. That's all there is to it! The corrugated reaming bulb forces its way into the fruit, breaking up the juice-laden cells—getting out every drop! The juice is better and more palatable because it is free from large pieces of pulp and slightly severed, which gives it a lighter, smoother body for drinking purposes.

Your family will notice the difference when you serve their daily orange juice.

Fruit juices are a daily necessity for the family—fruits for breakfast, lunch and dinner. Seldom do you plan an afternoon or evening party without requiring some orange and lemon juice.

The SUNKIST Junior gives you that long-sought opportunity to have scores of delicious and healthful orange and lemon drinks adding infinite variety to your menu—and, at the same time, saving you time, effort and money.

Connects to any Light or Appliance Socket—Easy to Operate—Easy to Clean—Saves Time, Effort, and Money.

Pays for itself in the fruit it saves.

Three New Ways to Save!
Save Money! When you squeeze oranges or lemons in the old-fashioned way, some of the juice is bound to be lost. With the SUNKIST Junior every drop is extracted and you get as much juice from three oranges or lemons as you are now getting from four.

The Extractor takes but little room—less than eight square inches—and is as light to move around as your electric iron.

**SUNKIST CALIFORNIA ORANGE JUICE**

All the way up the family line—from babies to the older folks—California Sunkist Orange Juice should be the first order of the day! If you fully realized its value to health—to the great morning start it gives all ages, to the better work-day, to better digestion—you would let nothing stand between you and a beehive nest with delicious juice.

Then, you would be following the advice of Medical Science. You would begin to feel better, think better, accomplish more. You would go into action with snap and enthusiasm, ready for stress and strain. Hours fly when body and mind are working smoothly!... Sunrise Orange Juice before lunch, another during the afternoon to build into your body the sunshine it lacked! What a change it will make in your whole “set-up,” if you drink it regularly!... And, here is good news to top-off this better health suggestion—This season there is a large crop of small-size Sunkist Oranges, as juicy, sweet and delicious as any of the larger ones you ever saw. They are ideal for juice purposes—and cost less!

Through plenty of Orange Juice, Acidosis may be prevented or corrected. A very large majority of people suffer from this malady, in whose one of its various forms... Due entirely to our finicky American diet, Acidosis causes a sluggish, half-well condition which, unless corrected, forebodes grave consequences. ... California Sunkist Oranges are proved by Science to be extra-rich in fruit-sugars and healthful fruit-acids. Oranges, like Lemons, although acid in taste, are alkaline in their reaction in the body and thus help balance the diet, which in turn prevents or corrects Acidosis. Sunkist Orange Juice is not only good, but good for you. Get into the swing of this wonderful health habit—feel better, work better, get more out of life! California Sunkist Oranges are as market fresh every day! The name “Sunkist” on skin and wrapper assures uniform quality.
