On Sept. 28, 1889 he gave me $100. = $700. He stipulated that Mr. George Wheeler should do the work and that I should do the carpenter by the day, which cost more than if the same work had been done by the job. The cost of the building which is not yet completed is $700. Exclusive of a lumber bill of $135. not yet paid which has been presented to my father by Mr. Campbell who received the following reply:

since deceased, which is incumbent.

I have two sons, they left one, one 12 years old, the other nearly 4 years old. I am the natural guardian of the children, and do not know whether the property could be sold to liquidate this lumber bill which was contracted by me or not.
That being $300. in cash never turned over done out of the original understanding that I was to have $300. Mr. Campbell presented father with the bill for payment of $135. and received the following reply:

I hesitated for several days, until when my brother, Mr. Wheeler said that father didn't know

The NEW HOME SEWING MACHINE gives the best satisfaction.

The NEW HOME SEWING MACHINE is now found in all parts of the world. Its reputation for always being in order and ready for any kind of work, either plain or fancy, has gained for it a rank among Sewing Machines, which others less meritorious have long coveted. The factory is located at Orange, Mass., and is one of the oldest and largest in the world. We refer you to the Testimonials that are sent with the NEW HOME. Every one you will find satisfied that they have the best. Don't take our word or an interested agent's; ask those that have one. Try and investigate for yourself. You want the best, and if you don't find that the NEW HOME is the best, don't buy it.

Return to the Purchaser and Agent than any other Sewing Machine Manufactured.

And less trouble to the Purchaser and Agent than any other Sewing Machine Manufactured.

Come and view the NEW HOME whether you buy or not; now on exhibition and for sale by

MADE AND SOLD EVERY DAY.

A few years ago the New Home was almost unheard of. It is now the best known and has more friends and a larger sale than any other Sewing Machine.

It is no longer disputed that the New Home excels in Fancy Work.

No. 7. Price, $80.00
On account of the simple mechanical devices employed in construction, the NEW HOME excels lighter and with greater speed than any other machine, and is almost noiseless.

No. 6. Price, $60.00
We ask for nothing in return, and the employment of the several tools in connection with other machines, feeling assured that an unbiased public will render its verdict in behalf of the NEW HOME.

John J. Smith

from Jason Brown

Dear Sir:

Some weeks ago I saw in the newspapers that Queen Brown, a son of Old John Brown of the Harpers Ferry was dead and that the survivors of the Old 76ers were pecuniarily embarrassed. I immediately set myself to work in order to find out the facts and to ascertain whether they would accept assistance. In response to this inquiry I received a letter stating that the two had always felt ashamed to mention their condition before, but now if a fund was created for their benefit it would be appreciated and accepted by the now living members of his family.

Will you not try to interest the colored citizens of Boston in getting up a fund to assist the survivors of John Brown's family? Jason Brown is now 66 years old and the rest of the family are getting old and it would be a generous and an appreciative act if the colored people should aid this family in their old age.
The so-called poor, illiterate negroes of Rich-
mond, Va., gave Rev. Dr. Fulton of Brook-
yn a hearing in the First African Church
while their white brother citizens who boast
of their Christian civilization and superiority
over the negro refused the Doctor a hear-
ing in the First Baptist Church of that city.
The First Baptist Church is a good way be-
hind the times, their prejudice, because they
are more wedded to their prejudiced hate
of the negro and his friends than they are
to religion.

The above is the kind of exodus we are
in favor of. Rev. V. M. Wheeler of Roanoke, Va.,
said recently that the negro was good for
nothing, that he was lazy and dishonest.
What kind of people is his congregation composed
of? This exodus seems to have no politica-
