Indi sæuitiæ Hispanorum impatientes sibijsis XXIII.
 manus violentas inferunt.

HISPANIOLE incola, postquam se perpetuis atq; intolerabilibus laboribus opprimi sentiunt, nec ullum finem adesse malis, in planctus & suspiria effusi, crebris votis mortem optabant. Itaq; multi abiecta omni spe abeuntes in silvas, ex arboribus semetipsi suspendebant, interfectis prius liberis. Femina, postquam herba cuiusdam succo fetus sibi ipse abegerant, virorum vestigia sequitur & laqueo vitam finiret. Deniq; alius ex edito monte iacto in praeceps corpore, alius in mare, alius in profluentem demersus: nonnulli etiam voluntaria inedia vita finem inuenere. Erant etiam qui acutissimis è silice cultellis, aut mucronatis vallis pectora & latera transficerent.
