SCIENTIFIC IRRIGATION

Is the Only Irrigation that Nets Profits

You are not prepared to successfully meet Irrigation problems
until you have a

20th Century Grader

A 600 pound, one man, one or two team machine, constructed
of steel—strong and simple. Takes the place of several expen-
sive implements—has flanged wheels which prevent side draft

Cutting ditch 20 inches deep, 24 inches wide

TIME HAS PROVED THAT THIS MACHINE WILL

Slash off sage brush
Level fields for irrigation
Cut laterals for irrigation
Make shallow drainage ditches

Clean laterals and throw borders
Cut side ditches
Move dirt and drop it anywhere
Do the work of heavy graders at half the cost

And It Will Also Withstand Hard Usage for Years

Thousands are in use and giving perfect satisfaction. Write for our
illustrated booklet containing irrigation information
