Jan. 4.

Dear Viola:

The book has just come!
Thank you so much. It will
be a great pleasure to read
it & to lend it! My
daughter, Francis Ledita has
just come back, very
keen on N. Y. & all its
ways. Since this breaks
in consciousness here, I am
really very home-sick &
anxious to renew contact.

A woman I know sent
 me a hand. bag. by my
 daughter, & she put
 \$1 in it. The sight of
 the note gave me quite
 a shock; there was then
 seals (seen so often, but
 forgotten in detail) that
 is always described in
 the Great Pyramid
 writings. Anthon, it
 looked good to me & I
 have decided the
 feathers on my ^{new} spread
 letter-head is an English
 thing for my parache!

3.

It was designed for
me for a surprise. I
would never have
dared choose it!

Fog & dreadful
air we breathe here.

Switzerland your own
distant & introverted,

City that is what I mean)
cut off anyhow, a sort

of oasis to certain moods,

but in time of ^{it is} nothing
& change, I feel, too

self-contained & insulated.

well, anyhow, but

thankful for your reach

weather, wind, snow! ^{4.} 2
wonder, now, how 2, will
(or would) react to it all.

well, best
wishes to 1937 to 2000
& young.

ever

H. (il) D. A.
