Venice/ as from Rapallo 12/5 v Marsala

Dearest Vi

Thanks very much for the photos. I had no idea she had got so far with her sculpture.

She must have gone to pastel from fatigue, probably not realizing it.

Too late for "ifs"..I have no place for "pictures", am over run and hurried, after 25 years of knowing artists. constant fight NOT to have pictures.

But I am very glad to have the photos of the sculpture.

Even if I had know as much about it sooner, it wd. have had no effect. No one can live any one else's life.

3 months accumulation of papers here, to pack back to Rapallo. and it za nuff.
