EZRA POUND

Dear VI

Letter of Oct. 8. recd. yester. Today large reel of
snooze wyper of Sep. 16. and smaller roll of clippings containing 1/1
letter ; as it hadn't orter have. If you wd/ use series number of
refer by date , I od. tell better what which arrives when how.

As to SueZann, // you say I know newt of the young, why not
be explicit. Wuz she putt out of a ortermobil at Poughkeepsie and
hadda walk home barefoot. Inshort what IS the level of kulchurr
and chivvyray among the rizin generation.

\$

Beats me how that gals makes money/ Who the hell wd/ give
ME \$27.50 a week ? I dont mean I never have made ANY money.

But just to walk out and get it... deeeep mystery. As you say, I
dont yunnerstan the young/ never uunderstood ANYbody yet. all seem
to me to be actuated by most undigested set of motivations.

Waal thaaar dont seem much noews in them papers/ and Mr Wilkie did not
win/ and I have as yet seen no reason why he shd/ have/ merely Reosenstein
and tepid water/ cambric tea and yewtillities/ Not one honest crack
at the crimes etc/etc/

What I shd/ like clippings about are Wallace/ Bankhead (senator, not
the corpse) Tinkham, Bridges/ Wallace's stamp scheme/
also lichercheor IF any/ meaning Eliot/ cummings, Rona Duncan, who
went bein the gauze.

Dont look even as if Reozenstein wd/ kick out his worst etc/etc.
and so ferth. However , you get him for another four years , unless
providence. In fact better turn mind to higher things.

Wonder how long this will take in transit. Japanese mail gets here in a
month/ papers regularly. No more meatless days here/ and Roumania
providiak oil etc. not to mention legumes/ and Choimunny growin
silk wums/ and SO ferth. Probably a time to git artistic, and the
warriors are dein their job and not askin assistance. as

and soferth . luvv to th gals.

Have the shut off Boak, and Hank Mencken ?
