My Dear Linton,

Certainly you have my hearty permission to include the price within specified in your English book for Bohm's Library.
(I write this on your own note for greater definiteness)

Yours as always,

My dear Whitman,

I trust this note finds you well. I have sent some additional books that were missing from your collection of American Poetry. They go to Mr. Whitman for England. The books have been very desirable, as they contain many rare and valuable titles.

I hope you will find them to your liking. If you have any questions or need further assistance, please do not hesitate to contact me.

With warmest regards,
[Signature]
