SHAKSPERE-BACON'S CIPHER.

(A Hint to Scientists.)

I doubt it not—then more, far more;
In each old song bequeath'd—in every noble page or text,
(Different—something unreck'd before—some unsuspected
author,)
In every object, mountain, tree, and star—in every birth and
life,
As part of each—finality of each—meaning, behind the ost-
tent,
The mystic cipher waits infolded.

WALT WHITMAN.
SHAKESPEARE-RAVEN'S CIPHER

I hope it is not—then more the worse
in each of some pedants'—in every noble hero or poet
(Difference—something more to read—some amendments
sufficient)
in each of other mountain; read and see—of every birth
the
part of each—knowledge of each—meaning finding the
still
The minute cipher was intended

WILL WILKINS
