Mean while the other Champions Yerst
In hurry of the Fight dispers'd:
Arrived when Trulla won the day
To share ith Honour and the Prey,
And cut of Hudibras his Hide,
With vengeance to be satisfy'd; —

But Trulla thrust her self between,
And styring over his back agen,
She brandish'd over her head his Sword,
And vow'd they should not break her wrod:
She had given no Quarter, and none shold have
Or others shold make plus Quarter give'd

In dungeon deep Crowdero cast,
By Hudibras as yet lay fast;
Then she resolv'd that Hudibras
Should ransom, and supply his place,
That sent them on, and the rest
Whch towards Hudibras was hasting.
